Establishment: Conversion of temporary into permanent pensionable-and of work-charged into permanent pensionable or temporary -.

GOVERNMENT OF BOMBAY.
Public Works Department.
Resolution No.3486/36/X.
Bombay Castle, 28th July 1947.

Read Government Letter No. 3486/36-E(II), dated the 20th December 1945 and the local officers' replies thereto.

RESOLUTION :- In 1943 and 1945, Government made permanent and pensionable a large number of posts borne on the temporary and work-charged subordinate establishment (both superior and inferior) in the Public Works Department, as those posts had been in existence for a long time and were required on a permanent basis. A number of work-charged posts were also converted into temporary ones. As a result of a further examination of the remaining temporary and work-charged posts, Government is now pleased to direct that 884 posts which are at present borne on the temporary and work-charged establishments in the Public Works Department (574 on the remporary and 310 on the work-charged establishment) should be converted into permanent pensionable posts with effect from the 1st April 1947. It has also been decided by Government that 459 posts which are at present borne on the work charge establishment in the Department should be brought on to the temporary establishment with effect from the same date. Accordingly, the number of posts shown in the accompanying statements I and II which were hitherto borne on the temporary and work-charged establishments in the various Circles should be brought on to the permanent or temporary establishment as shown therein in the scales of pay mentioned against them.

2. The terms, conditions and the concessions regarding fixation of pay on promotion to the permanent or temporary establishment, counting of previous temporary and work-charged service towards pension, relaxatic of ....

of age limit and educational qualifications, exemption from the production of medical certificate of physical fitness, etc., etc., sanctioned in Government Resolutions No.3260/36, dated the 19th November 1943, and No.3486/36, dated the 19th November 1943, as subsequently modified from time to time, should be held applicable to the temporary and work-charged men who would now be promoted to the permanent and temporary posts in accordance with these orders.

3. The question of fixing scales of pay for certain posts mentioned in the accompanying statements is still under the consideration of Government. These posts should not be filled in substantively, until pay-scales are sanctioned by Government in their case.

4. The orders issued in the above paragraphs do not apply to temporary and work-charged men who were not in service on the 1st April 1947.

By order of the Governor of Bombay,

(D. B. Anand),
Deputy Secretary to Government.

No.3486/36-X-E(II). Public Works Department,
Bombay Castle, 29th May 1948.

To

The Superintending Engineers of Circles (with a copy of Government Resolution No.6732/36, dated the 29th July 1944, to Superintending Engineer, Northern Circle, and Superintending Engineer, Special Investigation Circle.)

The Electrical Engineer to Government,

The Public Health Engineer to Government.

The Director, Development Department Chawls.

The Executive Engineers of Divisions.

Subject:- Recovery of excess amounts overdrawn by members of temporary and workcharged establishments on their promotion to the permanent establishment.

Reference:- Government Resolution No.6732/36, dated the 29th July 1944.

2. Government is pleased to waive the recovery of half the amounts already overdrawn while on the temporary or workcharged establishment, as the case may be, by members of the temporary and workcharged establishments promoted to the permanent establishments in the posts sanctioned in Government Resolution No. 3486/36-X, dated the 26th July 1947. The remaining half of the amounts overdrawn should be recovered from the subordinate concerned, the rate of recovery being limited, however, to not more than 10% of their monthly pays on the permanent establishment, or pensions, as the case may be, and the number of instalments being increased as necessary in order to achieve this maximum rate.

2. This has also reference to Superintending Engineer, Bombay Circle's letter No. G.65/3789, dated the 26th April 1948.

By order of the Governor of Bombay,

(N. P. GURJAR),
for (Secretary to the Government of Bombay,
